

## And in me too the wave rises

vital to how we de-centre the locus of self in order to face our problematic relations with each other and with our planet. The works on show explore ideas around the nature of membranes, inner and outer-ness, states of emerging and disintegrating and the narrative of presence – offering a space in which materials become unstable and are subject to rupture and change.

Exhibiting Artists:

Emma Bang  
Ella Balenky  
Jasmine Pajdak  
Chen Winner
